1) Open STA5001 in LMS
2) Copy CRAN (CRAN051001a.txt) from the folder Data(bottom of STA5001 webpage) to your Desktop or any other directory (you can also use your USB drive)
3) Open properties of CRAN051001a.txt
4) Copy the path from the Location (something similar to C:\Documents and Settings\aolenko\Desktop)
5) Replace "CRAN051001a.txt" in the lecture R code using file's path
(for example " C:/Documents and Settings/aolenko/Desktop/CRAN051001a.txt")
